

PALADAR

WINE LIST

Welcome to Paladar! Our wine list is sourced exclusively from Latin America and covers the length and breadth of the region.

While most of the list is from Argentina and Chile we have also uncovered some gems from countries not best known for wine production: Mexico, for example, is home to the oldest winery in the Americas, whilst Peru was producing quality wines in the region by the early 1600s.

We also showcase some great wines from Brazil and Uruguay and less well-known regions of Argentina - Salta, Patagonia, La Rioja and the Atlantic coast - as well as from less familiar Chilean valleys, such as Huasco, Itata and Elqui.

The list also encompasses a wide range of different wine styles and grape varieties - some of which you may not be very familiar with, such as País, Petit/Gros Manseng and Torontel. We are more than happy to make suggestions.

With the onset of autumn and cooler weather, we have increased our listing of reds adding some interesting single varietals including Bonarda, Cabernet Franc, Petit Verdot and Teroldego.

We are currently developing a new "Premium Wines" section on the list, while bargain hunters should check out the new bin-ends page.

Be bold and adventurous... We encourage you to discover the diversity of Latin American wines!

We have been experiencing supply chain issues with some wines, and whilst we make every endeavour to keep good a good stock of all wines please forgive us if we don't have your first choice wine available.

ALL OUR WINES ARE AVAILABLE FOR RETAIL SALE AT 50% OF THE DRINK-IN PRICE IN THE BODEGA
