WINE LIST

## EARLY SUMMER WINE LIST: MAY-JUNE 2023

Welcome to Paladar! Our wine list is sourced exclusively from Latin America and covers the length and breadth of the region.

While most of the list is from Argentina and Chile we have also uncovered some gems from countries not best known for wine production: Mexico, for example, is home to the oldest winery in the Americas, whilst Peru was producing quality wines by the early 1600s.

We also showcase some great wines from Brazil and Uruguay and less well-known regions of Argentina - Salta, Patagonia, La Rioja, San Juan and the Atlantic coast - as well as from less familiar Chilean valleys, such as Huasco, Itata and Elqui.

The list also encompasses a wide range of different wine styles and grape varieties - some of which you may not be very familiar with, such as País, Petit/Gros Manseng, Teroldego, Grüner Veltliner, Friulano, Marselan and Torontel. We are more than happy to make suggestions!

**Be bold and adventurous... We encourage you to discover the diversity of Latin American wines!**

**ALL OUR WINES ARE AVAILABLE FOR RETAIL SALE AT 50% OF THE DRINK-IN PRICE IN THE BODEGA  
THERE IS A FURTHER 20% DISCOUNT IF YOU BUY ANY SIX WINES AS A CASE**
