

### **WINE LIST: July-Sept 2024**

Welcome to Paladar! Our wine list has more than 60 wines sourced exclusively from the length and breadth of Latin America.

Most of the wines are from Argentina and Chile, but we have also uncovered some gems from countries not best known for wine production: Mexico, for example, is home to the oldest winery in the Americas, whilst Peru was producing high quality wines by the early 1600s.

We also showcase some great wines from Brazil and Uruguay and less well-known regions of Argentina - Salta, Patagonia and San Juan - as well as less familiar Chilean valleys, such as Huasco, Itata and Elqui.

The list also encompasses a wide range of different wine styles and grape varieties - some of which you may not be very familiar with, including Petit/Gros Manseng, Cesar Noir, Grüner Veltliner, Friulano, Marselan and Touriga Nacional.

We particularly encourage you to try the region's "Criolla" varieties. These are the original grape varieties that the Spanish Conquistadors brought to Latin America in the 16th Century and their offspring (natural crosses of those grape that have formed new varieties). With fascinating grape names like Criolla Chica, Quebranta, Torrontés and Moscatel Rosado, these wines are best served slightly chilled and are ideal for summer drinking - we have highlighted them as Criollas on the list.

**Be bold and adventurous... We encourage you to discover the diversity of Latin American wines!**

**ALL OUR WINES ARE AVAILABLE FOR RETAIL SALE AT 50% OF THE DRINK-IN PRICE IN THE BODEGA  
THERE IS A FURTHER 20% DISCOUNT IF YOU BUY ANY SIX WINES AS A CASE**
